

LEGO CLUB plus KNEX is a discovery day program that is offered on **Mondays** and **Tuesdays**. Children ages 3 and up are welcome!

During each class, your child will build an item from wherever we adventure on that Lego Club day! Free play building is also encouraged since Legos and KNEX focus on fine motor skills and hand/eye coordination.

After each class your child will: Bring home a coloring page and an information sheet about the topic discussed each week! Be sure to ask what we learned!

We will be adventuring anywhere from the Lost Island of Atlantis to the Star Wars Imperial Flagship. On the last class of each session, your Lego Adventurer will have a special surprise to bring home!

**Come play on a
