

New Creations Dance

A Division of New Creations Unlimited

A Company Providing All Needs for a Great Dance Experience!

At New Creations Dance

We are committed to teaching children the fundamentals of dance and movement in a Christ centered environment. Our goal is to glorify God through the celebration of dance.

Class instruction ranges from 3 years old and up. We offer classes in pre-ballet, ballet, tap, and jazz as well as contemporary and pointe. All classes are taught by qualified instructors with extensive dance training and experience.

Our focus makes the difference. While we have weekly classes, a year-end recital with wonderful costumes, and fun just like other dance programs, New Creations does it all in a Christ-centered environment. The instructors share the love of Jesus through word and action with the children as much as they share their love for dance. Know that your child will be given the highest quality dance education with age appropriate instruction each week.

New Creations Dance Director and Instructor – Tina Guthrie

Tina began dancing at the age of 4 with Marge Long in Erie, PA. Her training in all disciplines of dance and tumbling continued at her mother's studio and with other professionals after moving to Georgia. As a graduate of the University of Georgia, Tina continued her dance training in the Dance Major's program and at Athens Dance Academy as well as being a part of the Young Choreographer's Series. While attending the University she was selected for the Georgette Dance Line. She has been a State Talent Winner, toured with Hoctor's Dance Caravan, and received choreographic awards from numerous dance competitions. Much of her time has been occupied choreographing half time shows, concerts, high school, church, and regional musicals. Tina has also enjoyed teaching for over 15 years and directing the thriving Dance for His Glory Ministry for the past 8 years. She feels very blessed to have been able to incorporate her years of experience to form the New Creations Unlimited Company in 2006.
