

# Magic Music Makers

The Creative Art of Music  
with Miss Louanne Crosby

Does your child like to create, perform, sing and explore?  
This Winter/Spring, Miss Louanne Crosby, Music teacher of MBCP will lead a discovery day class that is sure to make your child smile. We will create simple and fun music instruments, props and many more surprises to take home. The emphasis of this class will focus on creativity and musical exploration. Examples of our music crafts include: tin drums, paper mache egg shakers, rhythm sticks, lolly pop maracas, and more . Each child will receive a sing along CD of all the music and songs from our class. I hope your child will join me for this special magical music maker experience.

Session II of Magic Music Makers will meet on either Tuesdays or Thursdays in January and continue through May. It is open to all children who are 4 as of January 1, 2012. The cost of the Winter/Fall session will be \$175. Payment may be made by check payable to Louanne Crosby. Please complete the information below and include it with your payment via the preschool office. I look forward to a ton of fun with your child! To insure a quality experience space is limited so please register early. Feel free to contact me with any questions at [lacrosby03@yahoo.com](mailto:lacroby03@yahoo.com) or 770-509-1860.
