

PRAYER PARTNER INSTRUCTIONS

Students and adults are getting ready to serve on MB Student spring break mission trips to Puerto Rico, Belize, and Nicaragua. As we prepare for the trips, we want to send some encouragement through praying and notes/letters. Would you be willing to collect and send notes of encouragement so that we can encourage our participants while they are serving? We would like to have one note for each day they are serving/ traveling, so at least 7 notes.

Here is what to do:

1. Write a card/letter/note and drop it off by the church. Write the name of the student on the envelope. Please drop it off by Wednesday, March 25. There is an envelope for collecting on Kristen Funderburk's desk (inside student office).
2. Please avoid sending anything that is bulky or would not fit in an envelope. We will be transporting these in our team bags and cannot take larger items.
3. If you would like, you can email notes to students@mtbethel.org. Please put student name and "Mission note" on the subject line. We will print for you.

If you are unable to provide a note, please notify students@mtbethel.org ASAP so we can find a replacement prayer partner. We want to make sure participants have a note for every day they are serving!
